

Float by David Luu video DOWNLOAD

Have you wanted to perform a levitation? Here's your chance!

This is a simple and effective way to levitate a signed card (no force). Place the signed card near the deck and, with no apparent support, the card floats in the air. Looks great!!

After the magic moment, you can immediately hand the card out to the spectators.

- Can be performed with any deck. Even a borrowed deck
- Resets instantly
- End completely clean

Download this video and learn how YOU can perform this mystifying levitation.
