

The Vault - PLACEBO by Mark Calabrese video DOWNLOAD

ONE OF THE EASIEST AND MOST FOOLING CARD TRICKS IN THE WORLD!

Imagine the following. From a borrowed, shuffled deck, the spectator names ANY card. They place the deck behind their back, reverse ONE card, place it in the middle of the deck, and the reversed card is, in fact, the card they previously named!

Seems too good to be true? Mark Calabrese has developed a way of doing just that and more.

- Completely impromptu
- For beginners and workers
- No weird moves
- Borrowed and shuffled deck
- Freely named card
- Spectator can do all of the work!

For many years, this has been one of Mark's go-to effects in his walk around and stand-up routine. Within minutes of learning the secret, you will be able to go out and perform this flawlessly!

What you get:

- Multiple routines taught by Mark Calabrese
- Psychological subtleties
- Alternate handlings
- In-depth explanations for how and why this works!

Don't miss one of the best-kept underground effects to hit the market... This is **PLACEBO**.
