

Pilcher's Wild Card by Matt Pilcher - Video - DOWNLOAD

An elegant, sophisticated, divine Wild Card routine is [HERE](#), and YOU can learn it.

Magic creator Matt Pilcher has, to put it bluntly, made another classic BETTER!

The **Wild Card** effect has been around for many, many years -- just about every card magician has their own take on it. In this download you will learn Pilcher's version of the **Wild Card** effect and, once you have learnt it, it will probably be the only version you perform.

The cards don't just change into other cards once - they change multiple times, and in a different way each time! Amazing to watch - your audience will be stunned!

Download the video and learn today!
