

## Confused by Alessandro Criscione - Video - DOWNLOAD

This is my new effect that will confuse many people.

Imagine having a card selected and placing it upside down in the deck, and then it visually changes place with the card on top of the deck.

It's not over! Now imagine putting the chosen card in the spectator's hands and visually changing it with the one on top of the deck.

Now all this is possible...

This is **Confused** by Alessandro Criscione.

Download the video and begin learning this effect.
