

Wormhole by Dan Tudor - Video - DOWNLOAD

A card is freely selected by the spectator (IT CAN EVEN BE SIGNED) and then lost back in the deck. A sticker is placed on the back of a different card and then, a moment later, IT VISUALLY TRAVELS to the back of the selection. The spectators can actually SEE the moment the sticker disappears from one card and appears on the other one!

NO DUPLICATES

NO FORCES

NO DIFFICULT SLEIGHT OF HAND

LEAVES THE SPECTATOR WITH AN INCREDIBLE SOUVENIR
