

Flopper Change by Manu Llari - Video - DOWNLOAD

This is **Flopper Change**, the most powerful visual color change.

It's very, very easy to do! NO flaps, threads, magnets... NO gimmicks, you finish COMPLETELY CLEAN. You will learn two different applications with only one move.

This is one of the best visual color changes. Everything happens in just a few seconds, where the card can be observed completely until the end of the transformation.

Download the video and learn this incredibly visual change!
