

The Vault - CAVINI by Kevin Li - Video - DOWNLOAD

A Stunning, Modern Color Change!

Kevin Li takes the classic Cardini change to new heights with his brilliant new move.

As you casually toss your deck of cards from one hand to the other, the face up card on top instantly changes!

You can also use **CAVINI** to:

Make a blank deck of cards print itself -- fronts and backs!

Do a full color-changing deck where every card changes from blue to red.

You will also get detailed instructions on how to do the original Cardini change.

Download the video and learn it today!
