

Name Killer by Tom Wright - Video - DOWNLOAD

Seven Crazy Tricks

Two Borderline Insane Magicians

One Completely Mental Download

- **Name Killer - A signed card transposition routine, visual, commercial and a little bit ambitious.**

The other tricks in the Completely Mental series (*available separately*):

- Super Mint - Every time, know which spectator is holding the 'odd' mint. A self working hands off miracle.
- Serial - Accurately name the first four digits of the serial number on a spectator's bill that you've never seen.
- Parallel - A matching ESP style effect that leaves your spectator thinking they read your mind.
- OXO - Three reveals on one note, OXO is a modern routine for the classic Tic Tac Toe prediction.
- Hit the Club Jack - A story deck like never before, a hilarious plot with even funnier gags.
- Stack - Know the location of a cross drawn on five face down coins.
