

The Vault - The Subliminal Game by Jay Di Biase - Video - DOWNLOAD

Control their mind!

A two-phase routine presented as a test regarding subliminal messages.

Two predictions are given to the spectator at the beginning.

The experiment is about the famous kids' game Rock, Paper, Scissors and how our unconscious mind receives hidden cues. The performer will be able to demonstrate how subliminal messages affect our everyday life, predicting and influencing the spectator's choices.

The routine requires only a few business cards and a pen, and you are always ready to perform.

In the download you will find the full performance and a detailed explanation with all the extra tips and additional thoughts that will make the routine a real worker.

Easy to reset and can be repeated with a different outcome every time.

If you already own Rock, Paper, Lies, this will be the perfect routine to follow it.
