

PORTAL by Antonio Martinez - Video - DOWNLOAD

Imagine having the ability to teleport the spectator's selected card using the card box as a portal. Yes, a real **PORTAL**. And you can instantly repeat the effect as many times as you like.

- Very easy to do.
- Easy-to-make gimmick.
- Repeat instantly and countless times.
- You end clean.
- You can teleport playing cards, business cards, transport tickets, bank cards, folded bills, hotel keys, etc. The only limit is your imagination!
- Customizable with any boxes and playing cards you like.
- Many variations taught in the 30-minute video.
