

Card Catch by Abhay Sharma - Video - DOWNLOAD

IMAGINE HAVING THE ABILITY TO CATCH YOUR SPECTATOR'S CARD!
RIGHT IN FRONT OF THEIR EYES!!!

THIS EFFECT IS COMPLETELY DIFFERENT FROM ANY ORDINARY CARD
TRICK.

In this effect: Imagine that your spectator can look at any card -- they have this card in their mind without telling you its name. You give the deck to spectator, and the spectator springs the cards toward you. You catch one card in front of their eyes -- and that card is the spectator's card!!

YOU CAN PERFORM THIS EFFECT ANYWHERE YOU LIKE -- AS A STAGE
ROUTINE OR AS A CLOSE-UP ROUTINE.

- NO MAGNETS
- NO SLEIGHT OF HAND
- NO PALMING (you can clearly show your EMPTY hands.)
- IT'S VERY PRACTICAL
- EASY TO DO
