**Adrian Vega** is a multi-award-winning magician and teacher in the prestigious Spanish School of Magic. While Adrian was releasing hit effects like "SCAANDAL" and "Profiteer," he was also consulting and performing for Criss Angel's hit show, "The Supernaturalists." His evident passion for magic is contagious and will rub off on you and your own performances. Adrian shares his tried-and-tested card material that has taken him all over the world. There's something here for all skill levels, as well as tips and sprinkled theory, to raise and strengthen your magic to the next level. Join us as we welcome **Adrian Vega** for his lecture ***At The Table***! Here's what you'll learn:

**4 For CAAN:** Card At Any Number that is so ingenious, the method hides in plain sight.

**New Deck Stab:** Stab a deck of cards that is inside a tuck case and pull out just the spectator's chosen card.

**Homenaje a Carroll:** A gimmickless variation on the Three-Card Monte, but with more cards!

**Snap Apparition:** A really clever snap change that shoots a card out of the middle of the deck.

**Palming Techniques:** Adrian gives away his secrets to palming.

**Changed and Restored:** A unique Torn and Restored effect where the spectator ends up with a mismatched signed card.

**Just 3 Elements:** For this trick you'll need one deck of cards, one card, and one number. With those elements, you'll be able to create a miracle.

**Party Time:** Adrian performs his original trick that inspired his hit effect, "Profiteer."
