

IN G by Alex Aparicio Presented by Chaco Yaris - Video - DOWNLOAD

Inspired in a CGI effect, this looks like a camera trick, but it is NOT!!... **IN G** is a perfect VISUAL effect for social media... (Instagram, Facebook, snapchat, etc.). If you like to do magic with everyday objects, this is for you.

The download will teach you how to construct the necessary gimmicks to perform this cool effect.

IN G is a blast to show to your social media audience.

It's simple to make, fun to perform, and will leave behind a powerful impact!

Download the video and start learning!
