Four Powerhouse routines from a Legend that have stood the test of time!

Original and powerful magic that holds up today the same as it did years ago when it was invented.

Learn four routines from magic legend, Frank Garcia.

This is a powerful card magic set created so each trick flows right into the next!

You will learn:

Surprise Finish

A spectator cuts to the Aces in the fairest way possible!

Four Bullets

As memorable as it gets! A spectator thinks of a card, then picks one of the Aces to act as the bullet card. You form the deck of cards into a makeshift gun, insert the bullet Ace and pull the trigger. When the Ace bullet is tapped into the deck, the thought-of card flies out for a spectacular finish!

Triumph Outdone

Frank's incredible and original handling of the Triumph plot.

The Traveling Visitor

A signed card trapped between the two red Queens vanishes, and appears between the two black Queens in the most impossible way!
