

Change Assorts by Yuji Enei - Video - DOWNLOAD

This video download teaches you many incredible, visual effects!

These include:

Extreme Change

This super visual trick is designed for social media use. It's fun to do and the gimmick is very unique.

Color Absorption

You can change the color at your fingertips. If you want to be amazed, you have to check this out.

Chaos Coin

The coin changes six times.

Puzzle Change

It's up to your imagination. You can also make someone's favorite letter appear.

Eaten Corner

The ripped card changes to another.

Blue Wave

Very visual change. You can also do twisting cards with this gimmick.

Middle Change

Very practical change. The card you see with a hole in the middle changes to another without touching the hole.

Necklace Sandwich

Yuji Enei always uses this trick when he performs at an event. The sandwiched signed card penetrates a necklace inside your pocket.

Bonus

2 Variations of the Collectors Plot

This is also the trick that Yuji Enei often uses in his show.

Different Method Change

A different method for changes.

Oil and Party

Oil and Water effect which ends with an unbelievable climax.

Card in Shoe

The ink appears on the card in a shoe. You can control the timing of the ink's appearance. It's very practical and fun!

Download the video and learn these awesome effects!
