

## **KHAGET by Esya G - Video - DOWNLOAD**

Introducing, the latest "must have" item for every performing magician. A great effect in a seemingly innocent item.

The magician slips a shopping receipt into his wallet. Strangely, the receipt instantly changes into a card previously chosen by the spectator. The receipt can even change into money!

- No layer in wallet
- Your imagination is your limit
- Perform this surrounded by your audience

Your audience will be shocked (kaget) -- this is **KHAGET!**

Download the video and learn it now!
