BOTTLE EFFECT: The magician shows a bottle and asks a spectator to hold it. The magician then places ASHES on the bottle and, with a wave, the ASHES PENETRATE into the bottle.

- Any bottle can be used
- Normal bottle
- No slits

CARD ASH REVEAL: The spectator selects a card and it gets lost in the pack of cards. The magician places ASHES on the card and, with a wave, the ashes form a shape on your palm -- it is the spectator's chosen card.

- Immediately hand the card out for examination

TIC TAC BOX: The magician asks the spectator to hold a Tic Tac box. He pours some ASHES into the box. With a wave of the hand, the ASHES are now inside the box.

- Very easy to do

ASH REVEAL: The spectator selects a card and it gets lost in the pack of cards. The magician then introduces a card and pours ASHES onto it. With a shake, the ASHES form into the name of their selected card.

- Easy to do
- Fully examinable
