

Candemonium by Arnel Renegado - Video - DOWNLOAD

It's been almost 8 years since the invention of Uncanny aka **CANDEMONIUM**. It is now ready for you to learn and perform!

Imagine showing a sealed soda can, and with a power of your mind you cause it to open by itself!

After years of development, we at RMC and Arnel Renegado created a method for you to easily make this gimmick, and to learn how it works. In addition, there is step-by-step training on how to make the gimmick with an in-depth explanation.

- Use any can
- Works on your command
- Instant reset
- Easy to perform
- Fun to make

The secret is in your hand now! Download the video, learn and enjoy!
