

Torn X by Arnel Renegado - Video - DOWNLOAD

TORN X -- a revolutionary ripped and restored effect.

For the very first time, a Torn and Restored effect where the spectator restores the torn card by themselves.

Your spectator selects a card, and the magician rips the card. Suddenly the torn piece is balanced at the tip of the card. The magician asks the spectator to push the piece down and restore it themselves.

Download the video and discover the secret of **TORN X** now!
