

TIPTOP+ by Esya G - Video - DOWNLOAD

Remember TIPTOP & TIPTOP 2.0 by Esya G?

Now, your spectator's chosen card can be balanced on the card box!

The spectator chooses a card to memorize. Then the selected card is balanced on top of the card box!

Finally, everything (box and cards) can be examined!

- No tape & no wax
- No magnet
- No string & no reel
- No elastic
- No hole
- Different method from previous versions
- Surrounded by audience

Download the video now and learn how to balance cards with **TIPTOP+**!
