

## **Bly by Doan - Video - DOWNLOAD**

In this download, Doan teaches you three very magical, impromptu effects using just one rubber band!

**BUDDHISM** - Wrap the band around your fingers and make it jump through them.

**POILOCK** - The band on your index finger jumps to your middle finger instantly.

**SINGL8** - Visually form an 8 with the band within a second.

All of these amazing effects are taught in slow motion and are easy to understand. Download the video and start learning now!
