

## **Traveling Point by Christophe Cusumano - Video - DOWNLOAD**

Imagine the following. The spectator selects a card and signs it. You draw a black circle or symbol on the card and magically, it disappears and is later found to have traveled to another place on the card!

Here's magic you can do in any situation, at any time and anywhere.

In this download, you will learn how to make your gimmick in 10 min.

Strong points about this effect:

- No flap
- No special design
- No glue
- No magnets
- No thread
- No gimmicked pen
- Easy to do
