

## The Vault - Skymember Presents Perfect Sense by Daniel Hiew - Video - DOWNLOAD

With this routine, you have the SUPERHUMAN ABILITY to sense the IDENTITY of individual cards from a SHUFFLED DECK left in the spectator's hands!

Say hello to **Perfect Sense** by Daniel Hiew. A color sense card trick inspired by Asi Wind's Red and Black.

You start by SHUFFLING the cards or have your spectator cut anywhere they want. You deal the cards into two piles, and they get to choose any pile they want. Now, you demonstrate your superhuman "sixth sense" ability.

With **Perfect Sense**, you will not only be able to tell the color of the cards but also sense the suit, value and ULTIMATELY THE EXACT IDENTITY of EACH CARD! All done with a NON-MARKED DECK!

If you wish, you can instantly REPEAT the trick WITH NO RESET.

In this project, Daniel will share with you the details and subtleties in a crystal-clear manner.

What are you waiting for? Equip yourself with Perfect Sense and demonstrate your sixth sense with ANY pack of cards.
