

The Drawer's Dream by Ferran Rizo - Video - DOWNLOAD

This is a truly artistic effect where Ferran Rizo shows its elegant and creative magic. A fantastic and easy to do effect with coins. This effect is like a dream done in real life. Magician draw with a pencil a coin on the palm of its hand. Clearly the draw becomes a real silver coin. He then, using the eraser deletes a small part of the coin showing the result to the company. Then another piece of the coin is deleted showing that now the coin is only a piece of metal. Finally, the coin is completely deleted vanishing completely form the hands

If you want to add quality magic to your shows learn this effect, you audiences will love it

Magic for the serious student. You will learn all the routine details
