

Erase 2 by Agustin - Video - DOWNLOAD

Show a torn corner of playing card at your fingertips, give a little shake, the torn corner visually change into a blank. Then, in a split seconds, the blank transform into another or selected card.

Erase 2 coming with a similar plot but totally different looking effect.

The gimmick does all the work. It's self contained and easy to carry.

In this download Agustin also share a full routine straight from his repertoire. So you can do this miracle anywhere with any platform.
