

Confused by Alfredo Gile - Video - DOWNLOAD

Confused is an amazing trick that will fool your spectators !

Confused will be one of your favorite tricks because it's a beautiful mind-blowing playing card divination!

With this effect your spectator freely chooses a little packet from a shuffled deck.

After secretly selecting one card from that, he puts his packet in the middle of the deck.

Then the magician begins to shuffle and spectator freely cuts the deck.

At this point magician spreads the cards on the table and he's able to impossibly guess the spectator's card!
