Voocard by Marcos Cruz - Video - DOWNLOAD

Have a chilling moment with your deck, the audience selects a card and writes the name on it from a deceased character or horror movie, the space will fill with fear when you put the card in the palm of your hand, slowly levitate when summoned, ask questions and with a simple movement he will answer you, who will be your next victim.

VOO CARD an original idea by Marcos Cruz that you are waiting for, download it now.
