Adirshta - The Unseen by Shibin Sahadevan - Video - DOWNLOAD

"Shibin has combined some great ideas into a very flexible presentation that is perfect for Zoom. There is plenty of interaction from the participants and a very nice surprise ending. If you are putting a zoom show together this is definitely worth knowing"
- **Marc Paul, UK**

"I really like it! A very appealing plot (luck and intuition), a surprising end and a method (I should say methods) which fooled me too. Actually, I got fooled twice as I did not see coming the surprising end! Well done!"
- **Jan Forster, Germany**

"Very Nice"
- **Haim Goldenberg**

"It's Great"
- **Todd Landman**

Tagline - Best effect for Online performance
