

The Arg Change by Gonzalo Cuscuna - Video - DOWNLOAD

Arg Change is an applicable movement for all kinds of routines, easy to do, without gimmicks or magnets.

It can be applied for appearances, disappearances, color changes... And even to implement in many games such as: Transpo, Sandwiches, etc.

It is instantaneous and fast, the card never leaves the view of the spectator. In the action of simply squaring the deck we are totally clean to continue with the routine or another game.

Movement based and inspired by Cardini's change.
