

Tic Tac Through by MAGIK MILES - Video - DOWNLOAD

Tic Tac Through is a very visual effect where a Tic Tac penetrates through a sealed Tic Tac box , a super visual trick just like a camera trick. Immediately show both hands empty and hand out the box for examination. The effect looks good on camera and live performance!

- Easy to make
- End clean
- Instant reset
- Easy to carry or perform
- Visual and catching attention
- More than one idea and handling
- Best Tic Tac penetration on the market
- A real worker
