Viper Steal by Viper Magic - Video - DOWNLOAD

The Viper Steal is a utility move that once learned can be applied any effect where you need to steal and control a card.

Use this sleight as a Steal to perform card to wallet, card to pocket or card to any location.

Use this sleight as a control for ambitious card, sandwich effects or any of your favourite routines.

Use this sleight as a colour change or a card vanish.

Use this sleight to demonstrate your pass skills, when you are never actually doing a pass.

This Sleight is efficient, simple, easy to do, and has multiple uses.

If you really want to level up, you need to check the Viper steal out.
