

Viper Always Triumphs by Viper Magic - Video - DOWNLOAD

Triumph is one of the oldest routines in card magic.

In this version of Triumph you never have to do a False shuffle, no zarrow shuffle, no strip shuffles. You genuinely farrow shuffle the cards into each other, face up and face down. Show the audience that the cards are mixed into each other, and with just one snap of your fingers, all of the cards face one direction except for the selected card!

You can also flip the deck over and spread the cards on the other side. Something that you would not be able to do normally!

All of the cards are completely normal!

THE CARDS ARE COMPLETELY NORMAL ON BOTH THE SIDES
