

Staircase by Omkar Varhadi - Video - DOWNLOAD

An extremely visual effect for social media!

Imagine showing four playing cards, one red, three blue.

Now without any cover, the red card moves up one card at a time.

This is **STAIRCASE**

In this 30 min tutorial you will learn how to make the gimmick and perform the effect.

Note: This effect is only meant for social media and virtual shows. It isn't practical for a live audience.
