

## Loan Shark by Agustin - Video - DOWNLOAD

Take a bill from your wallet and fold it in half. Now simply throw it into your hand and visually that bill turns into different object.

Agustin brings you **Loan Shark**. This is a simple but powerful effect that you can carry with you everyday.

You can change any money into any object, anytime, anywhere, and immediately hand it out to your audience for examination.

- Easy to do
- Build in seconds
- Use any bill and any wallet
