

Instant Makeover by Viper Magic - Video - DOWNLOAD

This is INSTANT MAKEOVER. A TnR, Color Change and Transformation effect all in one trick.

Just with a snap, change a quarter into a 100\$. Ink revelations, change the colour of the card from blue to red, change the face of the card, and the most amazing thing, restore a torn card right in front of your them, in an INSTANT.

Perfect for social media and zoom performances, and can also be performed live. You are not limited by your phone camera and angles this time.

1 method, various possibilities!

The gimmick barely takes 10 minutes to make if you are a beginner, and it will last you at least 50 performances.
