Instant HEAL by Viper Magic - Video - DOWNLOAD

This is a TnR Vanish effect where the corner from a spectator's freely selected card is torn off and then in an instant, the corner visually vanishes, restoring the card the way that it was. The card can be signed and examined before and after the effect.

The trick is a killer effect for social media, as well as for live performance.

It is easy to do, the gimmick does all the work, and it takes only about 10 minutes to make the gimmick.
