

Switch Gum 2.0 by Brice Bergman - Video - DOWNLOAD

From the mind of Brice Bergman, we are proud to present to you a streamlined and durable variation of the classic switching device. Brice has made the **Switch Gum 2.0** gimmick so easy to make that even if for any reason you needed to whip up a new one, you can do it in minutes! You can even find all of the materials at almost any gas station or convenience store! Brice has also designed **Switch Gum 2.0** so that it can reset in seconds.

Switch Gum 2.0 resets so fast, that I bet it can be reset before you can even say "**Switch Gum 2.0**"! Brice has performed with this wonderful gimmick thousands of times and has fooled thousands of people with the streamlined and simple design.

You can do all of this with:

- No magnets
- No threads
- No sleeves
- No worries

In an over 1 hour long instructional video, Brice goes in depth on lots of routines and ideas using this gimmick. He even teaches how you can give the spectator the gum to inspect after the effect! Do yourself a favor and pick up **Switch Gum 2.0** today!
