

Zero Band by Johnny Kang - Video - DOWNLOAD

Invisible Elastic Band (I.E.B.) is easy-to-carry and used to perform many magical effects such as levitations and PK effects. However, **ZERO BAND** goes beyond any previous I.E.B. effects and generates more possibilities!

Eight effects are created after the collision between Johnny Kang and daily life objects. Each effect is intriguing and stunning, and Johnny Kang will teach you how to systematically make the same size I.E.Bs and their container so that you can carry them with ease. In each section of this tutorial, Johnny Kang shares his inspirations and source of each effect, so you will get more familiar with I.E.B.

Included effects:

- Airstream
- Libra
- SKY Balance
- Ghost Hand
- Rocket
- Grey Area
- Halo
- Suspense

Without further ado, let's get into the wonderland of I.E.B. with Johnny Kang!

Special Features:

1. One system for you to perform a variety of effects
2. Easy to wear and can be performed in anytime
3. Teach you how to systemized make Invisible Elastic Bands. The size of the bands will be the same and won't get tangle up at the knot part.
4. Teach you how to make storage box for Invisible Elastic Bands. You can bring a number of bands with you by using this storage box.

"Zero Band is a real worker! If you are a fan of invisible elastic band, you will love Zero Band; if you are also a fan of rubber band, then you will definitely love Zero Band!"

- Hanson Chien

"Very creative. I love it!"

- **Hondo Chen**

"If you are a serious worker, there are many cool ideas in this works for you to find!"

- **Horret Wu**
