

Rubber Ghost by Mario Tarasini - Video - DOWNLOAD

Mario Tarasini presents a trick specifically for Halloween!

The magician gives the spectator a card with a hole and tells him to inspect it.

The spectator hands the card to the magician and a miracle is about to happen!
The rubber ghost passes through the card and finds itself in a hole in the card!

It's a very visual trick that is easy to make and perform. After ordering the trick you will receive instructions with a full performance. The card and the rubber band can be inspected by the spectator before and after the trick.
