

Mario Tarasini presents: Reverse Rising by Ihab Asfour - Video - DOWNLOAD

A new and improved version of the trick "Fallen Card" by Ihab Asfour!

Effect:

The spectator chooses a card and now the best part...

The magician turns around and the spectator puts the card in the deck and shuffles everything!

The magician takes the deck of cards, shakes it, and the card falls out of the deck!

This is a very practical trick.

With this download you will get both versions of the trick, the original and the improved one!
