

VOODOO CARD by Esya G - Video - DOWNLOAD

Your spectator picks a card and signs the back of it. It is replaced face up into the middle of the deck. You now take the voodoo card that is on the table and write down the name of the spectators choosen card on the face of it. You then burn the voodoo card and now when the spectator goes through the deck to find their choosen card, there is also a burn mark on it. Voodoo!

Effect:

VOODOO CARDS and selected cards can be souvenirs.
