

Haunt Change by Mario Tarasini - Video - DOWNLOAD

Mario Tarasini presents an effect based on the classic Haunted Bill trick.

Effect:

The magician shows the deck and the dollar, puts it on the deck and the dollar, affected by spirits, fold!

The magician shakes the deck and the dollar turns into a different banknote!

The trick can be done with money from any country that is made of paper and can be folded.

The trick is created for social media.

Warning - trick requires art of craft.
