

## Interesting Tricks by Mario Tarasini - Video - DOWNLOAD

This is a selection of tricks that I have created over the past two years.

In this download you will find 3 tricks that are all compatible with each other.

### Color Split

Color Split is a great trick for your social media channels.

The best part is that no magnets are used in the trick!

Cards of any type or color can be used...

Grab a few cards and show this miracle to your spectators!

### Mannequin

The magician shows two cards.

He takes the king, puts a red card on it, and the impossible happens!

The king makes a triple zig zag!

This is a trick for true art of craft lovers.

You will learn two versions of the trick - social media and live performance.

There is no threads or magnets!

### Multiplying holes

There are many tricks and variations of using hole in a card.

Mario Tarasini presents one of the smartest and simplest methods to perform this effect.

Just punch one hole on the selected card and the hole will multiply!

The best part is that after the trick the card can be given to the spectator.
