

## Catch by Kapil Agnihotri - Video - DOWNLOAD

Reach into a spring of cards and pull out the selection!

This version requires no setup, no duplicates and no gimmicks. A spectator can sign the card and you actually catch that very same signed card .

This is a must have in any magician's arsenal.

No skill required.

Perfect for the beginner or the professional magician.

I have been performing this for years and absolutely love it, I am sure you guys will love it as well. I will be teaching you 2 variations. One is the easy and the second one requires a bit more practice.

I am Kapil Agnihotri and I proudly present to you: **Catch!**
