

IMPOGUM by Ade Rahmat - Video - DOWNLOAD

There are many tricks using gum, but this one just might become your favorite!

perhaps because of its very unique effect.

Imagine if you could increase the size of the gum pack. not only that, you can also slowly adjust the size to your liking. You can do it very close to the spectator. Finally, you restore the size to its original size and it can be given to the spectator.

- Easy to make, (can be replaced with a popular brand in your country)
- Easy to do
- Reset in seconds
- Fits in the pocket
- Very visual
- Can be played anywhere and anytime
- Examinable
