

## **A Million Dollar Candy Bar by Damien Keith Fisher - Video - DOWNLOAD**

What could be better than having the perfect piece of arm candy right at your side?

**A Million Dollar Candy Bar** is a great piece of magic that is loaded with chocolate, money and a great effect. Your participant will be focused on the trick because they will be holding the missing piece of the dollar bill that brings the trick to life!

The setup is easy and the misdirection is as smooth as the chocolate inside the candy bar. This piece of magic is designed for close-up or stage, and the sleight-of-hand is quick and very sneaky.

Once you have perfected the setup and sleights you are ready to perform. **A Million Dollar Candy Bar** has a technique that you will have as part of your act forever. This trick will leave your participant with a feeling they just hit the sweet jackpot!

After all, what magician wouldn't want a great piece of arm candy tucked right at their side?
