Three pieces of string instantly and visibly join to form a single piece!

### **Pros:**

- String can be immediately given away to the spectators as a lasting and valuable memento of your magical time together
- Packs small, plays big
- Fools magicians and laypeople alike
- Angleproof: can be performed surrounded
- All done at your fingertips
- No switches
- No palming
- No gimmicks
- You are left clean
- Can be performed naked, if necessary
- Presentation limited only by your imagination
