

Recap by Alex Soza - Video - DOWNLOAD

Have you ever imagined what kind of magic could be done with a can of soda?

With this tool you can perform a wonderful effect.

Separate the tab from the soda can, show it is completely off. Close your fist, and with a magical gesture the tab returns to its original state on the can.

This tool is easy to perform and cheap to make.

- Visual
- Easy to do
- Easy to use
- Instant Reset
