

Holly! by Big Rabbit & Mario Tarasini - Video - DOWNLOAD

This is the ultimate ending to your prediction routine, which is **beyond imagination!**

First, spectators choose the card and the magician **makes it change** to the blank one.

Then, it will allow you to show the **spectator's card** from the empty tube after the routine.

End the routine with a magical effect & super visual way to reveal the prediction.

It can be performed in **real-world situations**.

A couple of minutes of D.I.Y. with everyday objects that you can find at home!
