Social change v2 by Jawed Goudih - Video - DOWNLOAD

Your spectator will witness a visually stunning miracle!

You take a corner of your playing card and put it on top of the card box. One wave of your hand and the corner will impossibly change into a coin.

This one is perfect for your performances on social media.

Especially if you are into the mixed art of (card/coin) you will love it.

As a bonus you get the *first* version of **Social Change** explained for **FREE** if you pick this download now!
